I'm suggesting some pretty extensive revisions, you might want to wait an hour or so, unless you already sent it.

Thanks,

Claudia

I'll do that today, based on input from Chris and Gail.

Should we send this to Chris Stoneman and Rick Vetter after the Region 8 has finished editing?
Chris offered to come to Denver or call in for the meeting with the tribe.

Hi Team – I asked Jody to pull together responses to the Ute Tribe's Principles concerning the U&O FIP before she left on vacation. Attached are her draft responses. I added the principle for each response to her document, so we had everything in one document and I also added a couple of other points we will want to make when we meet with Jeremy and the Business Committee. Please add more points and responses as needed, as well as provide input to the draft responses. Please try and provide edits by COB, Friday, November 25th, since Callie is trying to schedule a meeting the week of November 28th. Thanks.

Hi Monica, Claudia,

I did this very quickly and I've asked Claudia to review the permitting questions, I'm sure I mangled some of those responses. Thought it would be better to build time to work on it next week so we're in good shape for the November 28th week when we meet with the tribal attorneys.

Wishing a wonderful Thanksgiving to you both,

Jody
